Bob - I'll get you those details by Monday. We may start a small piece of work to prep next week with Maisel Construction, but the rest of it is as planned.

Hi Steve,

Thank you for providing the land use applications for the work at the Gold King and Red/Bonita this July. The information provided is useful. A couple of questions:

- 1) Do you have Site Maps that identify the two (2) sites and work area boundaries?
- 2) Anticipated hours of operation ("x" days/week between \_\_\_am-\_\_\_pm).
- 3) How large are the work crews/number of vehicles?
- 4) Any large/oversize vehicles and/or staging areas required?

I will prepare the Land Use Permits after July 4<sup>th</sup> in time for the proposed scope of work to begin.

Let men know if you have any questions and I will do the same.

Thank you, Steve. We look forward to working with you on the successful completion of these projects in San Juan County.

Regards,

Bob
